

IMS02B Environmental Policy

(ISO 14001:2015 Clause 5.2)

The Company has established this Environmental Policy to be consistent with the purpose and context of our Organisation. It provides a framework for the setting & review of environmental objectives in addition to our commitment towards the following:

- Protection of the environment, including the prevention of pollution.
- Sustainable use of resources, climate change mitigation, and protection of biodiversity & ecosystems.
- Conformity to applicable legislative, regulatory, and compliance obligations.
- Continual improvement of our Environmental Management System, and to enhance environmental performance.

We have produced environmental objectives which relate to this policy and can be found in document IR03.

This policy is available/communicated to all interested parties as well as being made available to the wider community through our publications and documentation.
